

STAR MFG. RESTAURANT COOKING CONTROLS

Cross Reference

Robertshaw offers a wide range of replacement controls for restaurant cooking equipment from Star® Mfg. Founded in St. Louis, MO in 1921, the Star Mfg. name quickly became synonymous with hot dog machines, fryers, popcorn makers and toasters. Today, the company is among the largest manufacturers of heavy-duty commercial cooking equipment in the world, providing heavy duty gas and electric griddle, charbroiler and hot plate categories, as well as world-class toasting, panini sandwich grill and hot dog product solutions. Star Mfg. trusts Robertshaw to provide replacement controls that uphold its reputation for high quality earned over several decades.
